

DIGITAL EVANGELIZATION AND IN-PERSON CONSENT AND LIABILITY RELEASE FORM

Parish program(s) are providing digital programming and content for its participants, through which staff will facilitate program activities through online platforms. The program(s) will use software, tools and applications provided by third-parties that participants, parents/legal guardians, volunteers and/or staff will access via the internet and use for purposes of communication and programming and potential content creation. This Form provides your consent and release for your child to participate in the program(s) and utilize these online applications for distance-based, digital program purposes only. **Many social media platforms have an age restriction which will always be adhered to by Diocesan staff or volunteers when facilitating activities with children and youth.**

Please be aware that each application collects different information about its users and has its own privacy terms and conditions to which members must adhere and which parish or diocese cannot control or assume responsibility. Please review these carefully before registering your child. Our commitment to keeping the children and youth we serve safe is always our number one priority. To that end, we will actively monitor participant activity. All online activities contemplated hereunder must also comply with the Diocese of Orange Technology Guidelines including the Code of Conduct, Policy Against Sexual Misconduct and the Diocese of Orange IT Policy.

Christ Cathedral Parish's Youth Ministry will be using the ZOOM platform for all of Confirmation sessions and youth ministry online content. We will be using e-mail, Flock Note, Instagram, and other social media as communication outlet that is related to Confirmation and youth ministry only.
